

# PE and Sport Premium Information

2017-18

## **What is Sport Premium?**

Sport Premium is an amount of money which the government has agreed to allocate to schools. The funding amount schools receive is based upon the number of children of primary age the school has at January of that year. The sport premium is to be used to increase the quality and breadth of PE and Sport provision, and increase participation in PE and Sport.

Prime Minister David Cameron announced in February 2014 that the Government will commit funding for the Primary PE and Sport Premium to 2020 if re elected.

At Shotton Hall Primary School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils.

## **Impact of 2016-17 Sports Premium Funding**

The sport premium funding has impacted on our school in the following ways:

- improved provision and support for PE and games in curriculum time
- increased the number of after school clubs and attendance at them
- increased whole school participation in sports and games events, festivals and competitions
- ensured all pupils have an increased level of fitness, health and wellbeing
- ensured all pupils engage in regular PE and sports lessons in line with the new national curriculum

## **Plans for 2017-18 Sports Premium Funding**

On 17th July 2017 the Department for Education confirmed that the Primary PE & Sport Premium will double from September 2017. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. Our Sports funding therefore for 2017/18 is £19480.

## **How we will use the funding in 2017-18**

**The Sports funding is to be used to develop the following areas:**

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

## **How the funding will be used to:**

- Provide high quality CPD for all staff.
- Provide high quality coaching support across a variety of sports which will further develop staff confidence of PE delivery.
- Broaden participation, inclusion and excellence opportunities through offering a broader scope of PE and games activities and sports.
- Prepare children for the National School Games.
- Provide funding for transportation to and from sporting events.
- To invest in equipment to provide varied and high quality sport provision.
- To finance a sports coach to support positive sports and games activities at lunchtimes, after school events and holiday clubs.
- Provide a range of good quality, safe play equipment for lunchtimes and break times.
- To plan and deliver intra school tournaments to give every child a taste of competitive sport.
- Bring athletes into school to motivate the children to become more active.
- Engage with SAFC Foundation to provide assistance in a variety of areas to increase sport participation, as well as improve academic standards.
- Develop children's confidence and social skills through the use of sport.
- To develop an outdoor activity area, impacting on whole school improvement.

## **Additional Funding**

Shotton Hall Primary School is committed to raising the profile of PE and sports with all our pupils from the youngest age. We believe that engagement of all pupils in regular physical activity will kick-start a lifelong plan to maintain a healthy and active lifestyle.

We use sporting activity as a tool for whole school improvement to impact on wider outcomes of attendance, behaviour and social and emotional well being. We use it to teach self confidence, decision making, pride, determination, resilience, team spirit and camaraderie amongst our pupils.

We are passionate that our staff will teach with increased confidence, knowledge and skills in teaching PE and sport. We want all our children to have a broad experience of a range of sports and activities and increase participation in competitive sport.

To support this belief we make a significant contribution from the school budget towards PE and sports development. We are contributing towards a playmakers scheme, which develops children into young coaches who will work throughout the school developing sport and physical activity.
